OUR STORIES IN LIVING HISTORY: TEME VALLEY SOUTH

LENGTH: 1.5 miles

1. Walk out of the gate into the churchyard and turn right.

Continue along the farm track, before turning left immediately after the Black and White house "The Old Parsonage" to take a stile. Carry on until you reach a gate on your left. Go through the gate and cross the field, keeping the field boundary on your right.

2. Take the stile at the top of the field and continue along the field boundary on the right.

Take two stiles to join the road. At the road, turn left and follow it along. When the roads fork, bear right and continue.

3. Take the public footpath, which is signposted on your left.

Follow the farm track and go through the metal gate on your left. Cross the track and take the gate opposite you. Continue until you see the bridge across the brook and weir. Walk over the bridge and up the incline. At the top of the slope, turn right and go through the gate, which takes you out onto the road. Turn right and follow the road. Take the first left turn into the farm and back to Eastham Church.
