OUR STORIES IN LIVING HISTORY: TEME VALLEY SOUTH

LENGTH: 1.6 miles / 2.6km

1. Facing the main church door go into the churchyard on your right.

Leave this churchyard through the metal gate in the railings. Turn left and head for the stile about one third of the way between the houses and the farm. Go over the stile and turn right to follow the boundary of this field. (Don't go through the gate). There will be a stile on your right - take it and turn left.

2. Continue for a short distance to the corner of the field.

Turn right and take the metal swing gate. Follow the path around Stanford Court. Go through another metal swing gate and continue straight ahead.

3. Take the stile towards the right of you and cross the field.

Carry on walking straight ahead. Cross the brook and take the metal gate set in the field boundary. Cross the small piece of grass and take the stile. Turn right and walk up the driveway towards Noverton farm.

3. Where the paths fork, bear right.

As you arrive at the farm buildings take the metal gate on the right marked 'permissive path'. Go through a second metal gate. Continue walking. The tower of Stanford Church will be in front of you. Go through some gateposts and carry on. The woods come down to be on your left.

4. When you reach the end of the field, go through the wooden gate.

Turn immediately right and walk around the small field keeping the boundary on your right. Turn left at the end of the field boundary, continue, and take the gate on the right. Work your way around the hill to reach the top and back to the church.
